How you can put the GVLC Mission and Vision into Action

Golden Valley Lutheran Church to conduct a Feasibility Study

GVLC has invited all households to participate in a feasibility study.

The study's purpose is to determine if our congregation will support a capital campaign for mortgage reduction and building updates.

We have hired Mark Davy & Associates, a firm with twenty-nine years of experience working with churches, to conduct the study. The feasibility study will take place over the next couple months and focus on the following areas:

- Clarity and importance of our vision
- GVLC's strengths
- Areas of concerns that may affect a capital campaign
- Communication preferences of members
- Level of potential volunteers to conduct a successful campaign
- Financial support available

All households should have received an invitation to participate in a confidential interview. Please respond as soon as possible by going to www.markdavyassoc.com/gvlc or contacting Mark Davy & Associates at (612) 986-3598. Results from the study will be shared with GVLC leaders and the congregation to help in deciding our next steps.

Vacation Bible School is happening this week. Please keep in your prayers all the children, volunteers, and staff, that God would touch lives with his love!

Portals of Prayer Devotion booklets are available at the back of church, please take a copy if you'd like one.
